

ROLE DESCRIPTION

Title	Audit Lead
Department	Internal Audit
Reporting to	Internal Audit Manager
Location	Flexible
Direct reports (If applicable)	N/A

Overall Purpose/Aim:

To make a positive and lasting difference to children and young people through the provision of quality service delivery as part of the Key Assets Australia team.

As the Audit Lead you will provide support across operational service delivery in the jurisdictions, for audit and licencing purposes. This position plays a critical role in providing centralised visibility and coordination of audit processes. The effectiveness in this role will enhance organisational values of quality service delivery by evaluating and reporting on the effectiveness of internal controls and governance processes.

As part of the audit team, you will be a major contributor in driving culture, leading by example by demonstrating strong alignment to our strategic vision and purpose. Adopting practices which embrace a culture of empowerment, trust, value, safety and respect, which is the heart of who we are.

KEY RESULT AREAS AND RESPONSIBILITIES

- The Audit Lead provides advice specific to audit, monitoring and coordinating audit responses, supporting stakeholders, and ensuring all relevant legislation, policies and procedures are considered.
- Partner with the jurisdictions, under the guidance of the Internal Audit Manager, to ensure that service provision is compliant with all relevant regulatory processes through timely research, advice and processes of internal audit and inspection.
- Coordinate Internal stakeholders and liaise external providers to perform internal audits including planning, scoping, fieldwork, reporting and follow up.
- To assist with the preparation of submissions to relevant government/regulatory bodies and others such as departmental service commissioner's e.g., pre-inspection returns, action plans, performance statistics, as required.
- Provide relevant and accurate data reports to assist with the planning and decision-making for business operations.

HEALTH & SAFETY

- Support a culture which embraces safety and compliance
- Identify and report potential hazards, and work-related incidents, injuries or illness.

WORKING IN A TEAM

- Demonstrate accuracy in work role and understand how role integrates with business functions.
- Prioritise competing demands to achieve assigned tasks within time frames for self and team

- Use effective communication principles to disseminate systems information
- Develop and maintain strong partnering relationships with internal and external providers.
- Maintain data confidentiality and integrity
- Demonstrate a solution driven approach and works well in high pressure situations
- Interact with our people and end users in a collaborative and cooperative manner

ADMINISTRATION

- Ensuring an accessible system and process to allow audit coordination as for required for users
- Provide data insights and accurate reports as per agreed timeframes for role, team, and stakeholders
- Planning and scoping documentation to support coordination activities

This role will involve virtual ways of working and occasional travel interstate, including overnight stays away from home.

Additional Duties

- The post holder will be expected to demonstrate the Key Assets’ purpose and values
- The post holder will be expected to undertake any training and development deemed necessary for the pursuance of the post.
- The post holder will be expected to reach a minimum basic standard of I.T. competence to be able to use Company electronic systems effectively
- The post holder will be expected to ensure compliance with Equal Opportunities Policy and Procedure in all employment practices.
- The post holder will be expected to work in a manner which is inclusive of all employees and stakeholders, which includes Aboriginal and Torres Strait Islander’s, people who identify as LGBTI, people of all ages, people with disability and those from culturally and linguistically diverse backgrounds.
- The post holder will be expected to comply with the no smoking policy in place and ensure that Health and Safety is observed in the course of employment
- Ensuring compliance with safeguarding procedures, throughout all work within the Company, keeping Senior Management informed of work in progress and inform Senior Management immediately of any child protection matter or serious complaint.

It is the nature of work of the post that tasks and responsibilities are, in many circumstances, unpredictable and varied. All staff are, therefore, expected to work in a flexible way when the occasion arises where tasks are not specifically covered in the Job Description and have to be undertaken.
