Key Assets Social Work practice is structured and guided by our Key Assets Practice Framework which is founded on principles of respect, open and transparent relationships, community development and change management. Our Social Workers work across the Foster Care and Intensive Family Engagement program as required, dependent on organisational need but will have primary responsibility in one program at a particular time.

CORE RESPONSIBILITIES

Families for Life Service

- Conduct needs/risk/safety assessments, and develop time limited intensive intervention plans with families, ensuring the highest possible transparency with children, young people and family in their homes and within an assertive outreach model.
- Implement the intervention plan and improve the parent(s) skills in parenting their children safely by providing, counselling, crisis intervention, psychoeducation, group work and practical support to families in accordance with the intervention plan paying particular attention to impacts of parental drug use, mental health problems, family violence, child abuse and neglect.
- Undertake a respectful, solutions focussed approach to working with families while being open about risks, strategies to ameliorate risk and expectations in relation to parenting that promotes the wellbeing of children, young people using the Key Assets, Families for Life Practice Framework.
- Develop and coordinate service network response for individual families to ensure tailored and effective intervention dependent on assessed support needs and identified family goals.
- Develop and facilitate Key Care Team meetings and work closely with Child Safety Services in relation to the monitoring of risk and individual outcomes reporting.
- Provide family advocacy as required and ensure brokerage dollars are appropriately expended to achieve maximum impact.
- Ensure that the protection of children and the promotion of their welfare is given absolute priority in all activities and that critical incidents/allegations/disclosures are recorded, investigated and acted upon appropriately and in keeping with Key Assets and the public sector Child Safety procedures.
- Work with evidence informed practice and evidence based programs to identify any needs of the children, young people and families to increase resilience.

Foster Care Service

- To participate in negotiation between Key Assets and the Department to ensure that each child or young person referred to Key Assets' Out of Home care Program is matched with a carer who has the capacity to meet their needs.
- Ensure that Key Assets is in receipt of all relevant information in respect to children and young people referred to the service and that this information is provided as soon as practicable and documented via referral and placement agreement documents.
- Be present and proactive in supporting placements in order to avoid placement breakdowns by developing and implementing tailored placement support plans for the immediate, short and longer term in accordance with Key Assets practice and policy and in collaboration with key stakeholders, the Key Care Team.
- Support and coach foster carers to learn and grow in confidence and ability guided by the Key Assets Practice Framework for Foster Care, and in adherence with organisational and Departmental legislation, policy, procedures, standards and competencies.
- Monitor and review the suitability and competence of foster carers ensuring they provide children and young people with a relational care experience that promotes emotional, cognitive, physical and spiritual wellbeing and values familial and cultural connection, equality and diversity.
- Ensure organisational safeguarding activities are prioritised and develop and maintain relationships with children and young people in Key Assets care in order to assess and understand their care experience and promote safe care.
- Ensure children and young people know how they can raise concerns.
- Co-ordinate and facilitate foster care support groups, connection events and training activities in collaboration with the Social Work Team.
- Take a lead role in supporting children and young people to maintain contact with their siblings.
- To develop and facilitate children's events and support children to participate in CREATE activities and forums and Departmental initiatives that promote children's participation and engagement in design and development of Out of Home Care service delivery.
- Supporting the Children and Young People's Support Worker Program, including allocating and monitoring tasks as required.
- Be an effective member of the Key Care Team ensuring that children and their foster carers are central, are able to participate and that their voices are heard.
- Undertake Foster Care Assessments of potential foster carers as required.

General

- Work as a key member of a state-wide Social Work team which is child centred and family focused.
- Ensure compliance with both Key Assets and Child Safety Legislation, Policy and Procedures. Ensure strict adherence to confidentiality and privacy, critical incident and mandatory reporting requirements.

- To engage in professional supervision, support and coaching and take active role in professional development and performance review processes.
- Establish and maintain appropriate professional records, ensuring relevant and contemporaneous documentation in accordance with Key Assets Policy and Departmental expectations.
- This position will require you to work flexibly and will include hours that fall outside of core business hours.
- Be part of Key Assets on call services roster requiring after hours response to any client from Friday 5 PM to the following Friday 9 AM (7 days).

The role will involve frequent travel within region and at times across Tasmania and may include stays away from home.

Additional Duties

- The post holder will be expected to demonstrate a commitment to Key Assets' Purpose and Pledges.
- The post holder will be expected to undertake any training and development deemed necessary for the pursuance of the post.
- The post holder will be expected to reach a minimum basic standard of I.T. competence to be able to use Company electronic systems effectively
